### **Application**

Sauf condition contraire expresse, les présentes conditions générales s'appliquent à toutes nos ventes, nonobstant toute clause contraire, pouvant figurer sur tous documents émanant de nos clients. Le fait que nous n'appliquons pas l'une quelconque des clauses ci-dessous ne signifie pas que nous y renonçons.

La nullité totale ou partielle de l'une quelconque des clauses ci-dessous sera sans effet sur la validité des autres clauses.

### **Commandes**

Les commandes remises à nos agents, ainsi que celles adressées à nos bureaux, ne nous engagent que si elles font l'objet d'une acceptation écrite de notre part. Toutefois, la livraison implique notre acceptation.

### **Prix**

Les prix indiqués sont ceux des tarifs en cours et n'ont de ce fait qu'un caractère indicatif. Nos factures seront établies aux tarifs en cours à la date de la livraison.

### **Livraison**

Les marchandises sont expédiées et voyagent aux risques et périls de l'acheteur, même dans le cas où elles sont expédiées franco ou rendu. Franco de port 400,00 € HT (France métropolitaine).

### **Délais de livraison**

Nous sommes dégagés de plein droit de tout engagement relatif aux délais de livraison;

- Dans le cas où les conditions de paiement n'auraient pas été observées par l'acheteur.
  - Dans le cas où les renseignements à fournir par l'acheteur ne seraient pas arrivés en temps voulu.
  - En cas de force majeure ou d'événements contractuellement considérés comme cas de force majeure, à savoir : lock-out, grève, épidémie, guerre, réquisition, incendie, inondation, accidents d'outillage, toute modification de l'outillage par le fabricant ou toute autre cause qui aurait pour effet d'entraver ses approvisionnements ou sa production.
- Nous tiendrons le client au courant, en temps opportun, des cas et événements ci-dessus énumérés entraînant la suspension du contrat.

Les retards de livraison ne peuvent donner lieu à pénalités, ou dommages-intérêts qu'autant que ces conditions ont été stipulées dans la commande et expressément acceptées par la Direction.

En cas de non-conformité avec la commande, la réclamation n'est recevable que si le vice est apparent que sous un délai de cinq jours.

Si le vice est caché, sous le même délai à partir du moment où celui-ci a été mis en évidence.

Les défauts de matière, même cachés, ainsi que les erreurs de dimensions n'obligeant la Société qu'au remplacement pur et simple des produits incriminés sans aucune indemnité, les produits ainsi remplacés restant sa propriété.

Aucune marchandise ne doit être retournée sans notre accord préalable. Toute marchandise retournée sans cet accord ne pourra être réceptionnée par nos services.

### **Minimum de facturation**

Aucun minimum de facturation ne sera appliqué, toutefois nous appliquerons pour toute facture inférieure à 100 € H.T. un forfait spécifique correspondant à une participation aux frais de traitement.

### **Conditions de règlement**

Toute vente est réalisée au comptant et aucun escompte n'est pratiqué. Pour toute autre condition de règlement, nous vous remercions de bien vouloir nous contacter.

### **Clause pénale**

En cas de carence du débiteur, les sommes dues recouvrées par voie contentieuse ou précontentieuses seront majorées, en sus des intérêts moratoires d'une indemnité fixe de

30 % pour une créance de 0 à 450 € H.T.

25 % pour une créance de 451 à 1 500 € HT.

20 % pour une créance de 1 500 à 3 000 € H.T.

15 % pour une créance de 3 000 à 7 600 € HT.

10 % pour une créance au-dessus de 7 600 € HT.

### **Clause attributive de Juridiction**

Le Tribunal de Commerce de CLERMONT FERRAND est seul compétent pour connaître de tous litiges relatifs à ces ventes, même en cas de pluralité de défendeurs.

L'acceptation des livraisons entraîne l'adhésion à cette condition nonobstant toute clause contraire.

IMERSION S.A. se réserve le droit de modifier à tout moment et sans préavis, les produits de l'une ou la totalité de ses gammes.

## GENERAL TERM OF SALES

### **Terms of Application**

The purpose of these General Terms of Sales is to lay down the terms of contract between IMERSION and their customers. These terms are applied even though mention of the contrary on customers documents. The fact that we won't apply one of these following terms don't mean that we refuse it. The nullity, partial or full, on one of these terms will have no effects on the others.

### **Orders**

The purchase orders transmitted to our agents or to our office engage our responsibility only with one written acceptance. However, a delivery implicates our approval.

### **Prices**

Prices indicated are valid at catalog printing time and are for information purposes only. Our invoices are issued with prices at delivery date.

### **Delivery**

The products are dispatched and travelled under risks of the buyer; even if the freight has been managed by our company.

### **Delivery lead time**

We are unsubjected to all our responsibility regarding lead time for following reasons:

- In case of payment conditions are not respected
- In case of the information supplied by the client won't be given on time.
- In case of extreme case of emergency or events considerate by French court as "force majeure" : lock-out, strike, epidemic, war, fire, flooding, tools matter or any modification or causes that IMERSION will consider interfere to a normal situation and leading him not to get the products ready on time.

The delay can't cause any penalty as these conditions are mentioned in these terms and approved by the management. In case that the goods received will not corresponding to your order, the claim will be acceptable if the vice is clearly demonstrated and transmitted to management in five (5) work days from delivery. In the contrary such products shall conclusively be deemed to conform to the purchase order and to have been irrevocably accepted by the buyer.

Any material defect or dimension mistakes only compelled the company to its exchange or substitution with no other kind of indemnity. No goods can be returned without our previous approval. Goods sent without our approval won't be taken in charge by our return department.

### **Minimum Invoice**

There is no minimum of order; however the management reserves to itself the right to apply an extra charge for any invoice under 100 € corresponding to a participation on issue expense.

### **Payment conditions**

Our equipment and products are payable to our head office.

Terms and conditions are clearly explicit on our invoice. With no specific contract, payments are prepaid and discounts for anticipated payment aren't authorized.

-Prepaid or Stand-by D/P

-L/C with 0.8% per month

Payment is due from date of dispatch or from notice of readiness in case of the goods delivery is managed by the buyer. Non-payment of an invoice, in whole or in part, by the client, shall result in immediate and automatic eligibility for payment of all invoices issued by IMERSION. In case that due will not be paid on time regarding invoice conditions or terms indicated on present term of business, repayments will be calculated on 150% of legal interest. In the event that an invoice issued to our profit is not honored in whole or in part, the client shall be invoiced for various expenses, in particular collection-related, associated with the unpaid invoice.

If it happened any modification in buyer situation (incapacity, death, bankrupt, transformation or company sale, by any form it can be) we reserve to ourselves the right to cancel the present contract.

### **Legal clause**

Invoices due recovered in a contentious or pre-contentious way will be majored with fixed indemnity :

30% per liability from 0 to 450 €.

25 % per liability from 451 to 1 500 €.

20 % per liability from 1 501 to 3 000 €.

15 % per liability from 3 001 to 7 600 €.

10 % per liability up to 7 600 €.

This add-on is made in respect to French law, Art. 1226 and Art. 1152 Civil code.

### **Retention of title**

IMERSION keeps full title in all products delivered to the buyer until the buyer has fulfilled its entire payment obligation in connection with the delivery of the respective products. During the retention of title the buyer shall not sell, pledge, mortgage, grant security interest or otherwise dispose of the respective products. However the risks are assumed by the buyer from date of dispatch.

### **Law of contract & awarding of jurisdiction**

IMERSION terms and conditions are governed by French law and interpreted in accordance with the latter. Disputes shall be heard by THIERS Commercial Court even in the event of summary proceedings, several defendants or action against a party securing a debt.

Approval of deliveries implies acceptance to this condition notwithstanding any mention to the contrary.

IMERSION S.A. management reserves to itself the right to modify at any time and without any notification the products of its range.
